See you there!**

IB Parents Association Meeting Schedule for 2007-2008

The GW IB Parents Association meets the **second Tuesday of every month from 7-8:30 P.M. in the Community Room**. There will be no meeting in December. Mark your calendars for the dates of this year's Parents Association meetings: September 11, October 9, November 13, January 8, February 12, March 11, April 8, and May 13. Please join us, meet new friends, and get invaluable information on everything from the IB Program to the college application process to working your way through the college financial aid maze. IB students are always welcome to attend!

From the Board...

WELCOME to ALL George Washington IB students and their families – especially to the 9th graders and first-year IB students! It has been a HOT and STEAMY summer, and we are looking forward to a FRESH, NEW school year!

The IB Parents Association strives to provide IB students and families with informative, educational, social and supportive meetings and gatherings so that all may gain more knowledge about the IB program and the unique IB experience. We want everyone to feel supported and a part of the GW IB community. The IB Parents Association works hard to support our excellent IB faculty and staff by organizing teacher-appreciation events and coordinating volunteer time. There are so many ways to be involved as an IB parent – the more you know, the more you learn how to help the greater the IB program functions! The IB Parent Association helps to foster communication and the exchange of ideas: we are allies for the success of our IB students and our IB program!

The first event/meeting this school year is the IB Family & Faculty Picnic on **Tuesday, August 28th from 6:00pm – 8:00pm @ Creekside Park in Glendale**. Included in this month's IB Broadcaster are the details and directions. Please join us for what has traditionally been a relaxed, fun and informal opportunity to meet the IB faculty and other IB students and parents.

Our monthly meetings this year will again be on the second Tuesday of each month, from 7 to 8:30 P.M. IB Parents Association meetings are designed to be either educational and informative meetings, or social events to give IB families a chance to stay connected with other IB students and parents. The first IB Parents' meeting this year will be **TUESDAY, SEPTEMBER 11 in the GW AUDITORIUM**. Parents and incoming freshmen will participate in an information and question-and-answer session with a panel of IB sophomores. Seniors and their parents will attend an informational meeting with Dan Franklin, the college counselor retained by the IB Parents Association and the Friends of IB Scholars Foundation to discuss the final phases of the college application process.

Included in this mailing are an informational letter and a Voluntary Dues Statement. Our dues campaign is the focus of the fundraising efforts for the IB Parents Association for the school year. The dues are the source of funds, which enable the Association to fund the programs and publications sponsored by the Association. We welcome and encourage donations, which will increase the ability of the Association to support the IB Program, as well as other programs at GW in which many IB students participate. A generous response from our IB families will help us to keep the IB Program at GW as strong as ever!

IB life is exciting, all-encompassing, challenging and rewarding. The IB Parents Association is a direct way to stay connected, to be "in the know" and to help our kids succeed not only as IB students, but also as 'citizens of the world'. We look forward to seeing you at the picnic on the 28th, and to sharing time, ideas and thoughts with you during the year. Again, WELCOME!

Steve Goldstein Replaces Mario Williams as Principal

Greetings! We are very excited about the coming year here at George Washington.

We begin the year with 434 students enrolled in the IB program, two new Language Arts teachers, one new Social Studies teacher, and one new foreign language teacher. **Beth Daniel** retired over the summer and **Anna Wadsworth** will be taking over her position and **Sara Morrow** will be teaching the 9th graders. **Marcus Lee** joins us from California and will try to fill the shoes left by **Bill Achbach** upon his retirement. **Wanda Rivera** will be taking over for **Katherine Mackintosh**, who decided to leave the district.

Also, we regret the loss of **Amanda Schmidt**, who will be leaving us for a teaching position in Douglas County. We wish her the best.

We believe that we have the finest IB program in the state of Colorado and with the continued guidance of Suzanne Geimer, the amazing teachers, the outstanding students and the support of their parents; our program will continue to be exemplary. I look forward to working with all of you in my new role as principal of George Washington High School.

Steve Goldstein

With Deepest Sympathy

We are sincerely sorry to report the following news affecting our IB family:

The father of **Dan Franklin** recently passed away. Dan is the college counselor retained by the IB Parents Association and the Friends of IB Scholars Foundation.

Keenan Black's (IB class 2010) grandfather also passed away over the summer. Keenan's mom, **Kendra Black**, is a volunteer extraordinaire for the Future Center, soon to be up and running.

Bill Michaels, the father of **Anna**, IB graduate 2007, **Grace** (IB class 2011), **Henry** (Steck Elementary), and spouse of **Laura**, died July 30, 2007. Bill was well known throughout the Denver community. He was a consummate sports

enthusiast and especially loved baseball. He was an avid runner and helped to start the Rocky Mountain Road Runners. Mayor **John Hickenlooper** published a city proclamation declaring July 26, 2007 Bill Michaels Day and the family received a personal letter of condolence from Governor **Bill Ritter**.

Our thoughts and prayers go out to these families at this time.

And More News to Share

Many of you know **Dan Lewis** (GWIB Class of 2005), his sister **Katie** ('07), his brother **Peter** ('09), his mother **Jeannie Dise-Lewis** (long-time IB Parent Association secretary), and/or his father **Hal Lewis**. On July 7, Dan was seriously injured in a cycling accident near Salina, Kansas, where he had just completed 2000 miles of a cross country ride to benefit Habitat for Humanity. **Dan is now at University Hospital in Denver**. You can access an ongoing account of Dan's progress and leave a message for him and the family by going to www.carepages.com, registering as a new user, and logging on to Dan's page at "**danlewis2007**." The Message Board also contains information about the newly established Lewis Family Assistance Fund; please see the posting from Denver psychologist and professor **Art Jones** dated July 25.

Again, please keep the **Lewis** family in your thoughts and prayers and wish for a speedy recovery for **Dan**.

A Message from the Friends of IB Scholars Foundation

August 2007

New IB families often want to know, “What is the Friends of IB Scholars Foundation?”

A group of parents, faculty and friends of the GW International Baccalaureate program founded the Friends of IB Scholars Foundation in 1995 as a charitable and non-profit 501(c)(3) entity to help pay for equipment, books, programs and curriculum needs of students and teachers in the IB program at GW. These needs developed because Denver Public Schools was unable to fund all of the needs of the IB program.

In the early years of the Foundation, funding focused on computers, books and science lab equipment. Over time, the activities supported by the Foundation have expanded to include funding for professional development for the IB faculty, and books and IB exam fees for IB students who might otherwise not be able to participate in the IB program. We have also been able to provide honoraria for IB teachers who act as faculty advisors for Junior and Senior IB students on their extended essays, as well as other educational activities of IB students. In recent years, as the needs of the IB program have increased, in part due to the continued shortfalls in funding from DPS, the types of programs funded by the Foundation have increased as well. For the last three years, the Foundation has been able to retain a private college counselor for IB Juniors and Seniors, and over the past two summers, the Foundation has funded a summer enrichment program for entering IB freshman, and an enrichment class for IB Juniors and Seniors emphasizing IB English skills.

This variety of grants paid for by the Foundation is only made possible from the generous contributions from current IB families, families of IB alumni, and grants to the IB Foundation from other charitable foundations, which have enabled the Foundation to support the GW IB program in ways that would not have been possible ten years ago. This financial support for the IB program has helped to maintain George Washington as one of the best high schools in the United States. GW has often been ranked in the Newsweek magazine listings of the best high schools in America.

We have been fortunate enough in the past three years to have received a challenge grant of \$15,000

from an alumni’s family foundation, which has been matched by contributions from IB families and other foundations. As of now, while we are hopeful, we do not yet know whether these foundations will be able to assist the IB Foundation in our fundraising efforts this year. This means that contributions from IB families will be as important as ever to the continued excellence of the IB program at GW.

Later this fall, the Friends of IB Scholars Foundation will be sending a letter to all IB families asking for your support. Every donation, whether \$25, \$50, \$100, or more, makes a difference. Donations are also tax deductible. We would also be grateful to receive contributions from employers, businesses or other charitable foundations, or to discuss a challenge grant to be matched by other contributions. You might let other IB alumni families know about our efforts, as we are always thankful for the donations we receive from alumni families and students.

Please do not hesitate to contact me with any thoughts by phone at home, 303-759-1176, at my office, 303-539-3159, or by email at James.Kaplan@publicans.com. Thank you for your support for the GW IB program.

Coordinator's Corner

It is the new school year and I am excited, as always, to begin the process of coming to know the new students, to better understand and fully appreciate our returning students, and to be working along side the faculty everyday. We have so many new faculty that the year is going to be especially fun—we seasoned IB people love to see the appreciation for our wonderful program grow in our novices! My wish for 2007-08 is not new however, that we as an IB community make this academic year rich in discovery and hopefulness, and that we all find joy in our learning with surprises and fun along the way. Be patient with our new classmates and teachers, be a compassionate guide, and don't forget where my office is when you need help.

What is the Difference between the Friends of IB Scholars Foundation and the IB Parents Association?

A Letter from the IB Parents Association and the Friends of IB Scholars Foundation to the George Washington IB Community

August 2007

Dear George Washington IB Parents, Students and Faculty,

As the new school year begins, we thought this would be a good time to explain again the interaction of the Friends of IB Scholars Foundation and the IB Parents Association.

The Friends of IB Scholars Foundation was established by a group of IB parents and faculty in 1995 to support the IB program at George Washington by funding activities related to the GW IB program. These activities include loans to needy students for the cost of IB exams and books; grants to teachers for advising on IB extended essays; requests from IB teachers for equipment, books, subscriptions, and continuing education; loans to the Model UN group, support for National History Day participation by IB students, and other such requests. The Foundation also funds the position for the part-time college counselor for IB juniors and seniors. Through its tax exempt, 501(c)(3) status, the Foundation offers the opportunity for tax-deductible contributions. The Foundation Board, comprised of IB parents, an IB faculty member, IB Program Coordinator Suzanne Geimer, and alumni parents meets several times a year concerning funding requests.

The IB Parents Association was formed more than 10 years ago by IB parents to support the IB program at George Washington by organizing informational and educational meetings for IB parents and students about the IB program, the college application process and other topics of interest to IB families; organizing social and student recruiting activities for the IB program; providing support for the IB program through the Creativity, Action, Service (CAS) component of the IB program; providing teacher appreciation events and gifts for the IB faculty; organizing the IB Senior Brunch; and publishing the IB Directory and the IB Broadcaster newsletter to enhance communication among IB families. The Association also helps to fund projects which support programs at George Washington outside of the IB program in which IB students participate, such as drama, music and Sports.

In order to coordinate the financial support of the IB program, the IB Parents Association has also established a fund to respond on a rapid basis to teacher requests during the school year for IB classroom and curriculum support items, focusing on requests for less than \$100. The IB Foundation continues to fund requests from IB teachers for proposals over \$100 for equipment, books, subscriptions and continuing education.

The Association begins its voluntary dues campaign in August. The Foundation will begin its separate fundraising campaign later in the fall. We encourage IB families to support both of these organizations, whose success is critical to the continued excellence of the GW IB program.
