

George Washington High School
Junior – Senior Prom and After Prom Sat. May 14, 2011
Attention: Freshman and Sophomore Parents

GW's Student Leadership has worked very hard to plan a wonderful Prom and After- Prom.
To ensure that these events are successful it is tradition that all Freshman and Sophomore parents step up to the plate now to volunteer to help at the After Prom held at GW.

Your help is needed! So please volunteer! You can also give support by participating in our fun-fundraising events that are coming up.

The After- Prom provides a safe and secure place **at GW** for the students to enjoy themselves in the wee hours of the night. Parents can be assured that their children are safely inside the school and supervised by adults.

Yes! I would like to support GW's Prom and After Prom

 I can donate a Raffle Item. A drawing will be held every 45 minutes throughout the After-Prom. Students must stay until the end of the After- Prom in order to collect their prize. Items such as gift cards or small electronics are needed. Please contact Heidi Hoyt at HeidihHoyt@aol.com for where to drop off of items at school.

YES! I would like to help with the After- Prom by:
