

## International Baccalaureate Parents Association Parent Volunteer Survey

The goal of the International Baccalaureate Parents Association is to provide information and support to IB students, families, and faculty members. In order to accomplish its goals, the IB Parents Association relies heavily on the membership and participation of IB parents. To be successful, the IB Parents Association and its projects need your support. Please review this list and indicate those projects to which you would be able to give some time. Different numbers of volunteers and different skills are needed for each project, so please select several that interest you. Keep in mind that we are an active group of parents and you will not be called on to do too much. Thank you!
